

Pedar doostam dāshti (Dm)

Original song: 'Beni sevdiğin Rab' (Turkish Song)

The musical score is written for a single melodic line in 4/4 time, using a treble clef and a key signature of one flat (Bb). The score is divided into five systems, each containing a staff of music with lyrics underneath. Chord symbols (Dm, C, Bb, A) are placed above the staff to indicate the harmonic structure. Section labels 'Verse' and 'Chorus' are placed above the staff to identify the different parts of the song. The lyrics are in Persian script.
